WELCOME TO CAMPIO:

Established in 2019, Campio Brewing Co. is located in the heart of downtown Edmonton's historic warehouse district, just steps from Roger's Place and the Ice District.

We like to push our craft beer experience to the limit and our brewpub does just that with all kinds of space for date night, beer with the buds, group events, parties, or even special occasions like weddings, and fancy soirees. Ok, maybe not super-fancy, but we're happy to try.

Here at Campio, we're passionate about beer. This passion is reflected in every recipe we dream up, brew we mash out, and pint we enjoy. With a beer program that ranges from the working man's thirst-quenching brews to a sour program that pushes the palate, Campio wants to stress that this is beer to be drunk without a notebook in hand.

Another thing we're passionate about is our Detroit-style deep dish pizza. Unique and interesting toppings laid thick on a rectangular pan crust – and the real deal, the crispy cheese crown that really sets our zaa apart. Our a la carte menu and function menu both feature a heap of elevated options including vegetarian and gluten-free selections that'll make everyone happy.

We look forward to hosting you!
